1. Please pass on to [redacted]
[redacted] and the rest of the team that it
was an excellent briefing yesterday. About
nine months ago, we established a goal--to
develop some expertise in AI in OIT--and we
have done so. The [redacted] effort looks good at
this point and it appears to be related
closely to operational need in the DO. Keep
up the good work! [redacted]

2. Please ensure a copy of this
correspondence is placed in each individual's
Official Personnel File. [redacted]

[redacted]
